Sub: Request for Support to sustain our operations to revive and grand relief to improve the working capital and overcome the impact of COVID- 19 challenges – Reg.

Respected Madam,

Regards and Greetings from Builders Association of India

We salute our Government of India for the steps taken for the safety and following up with suitable procedures for the safe living of Citizens of India. We are thankful for implementation of social distancing at a very early stage so as to reduce the spread of this pandemic. It is due to the good and energetic efforts of Government of India, we are ahead of many developed countries in fighting this pandemic.

Respected Madam, we would like to bring it to your kind notice that **Builders Association of India (BAI)** is the only all India apex representative body of civil engineering construction contractors and Real Estate concerns since 1941, having about 20,000 construction companies as its members, with 200 Centres (chapters) spread throughout the country. BAI acts as a bridge between the Government and construction industry on policy advocacy of the Government and contribute to the country's economic development.

As the close down is hopefully going to end at the earliest, the industry is gearing up to face the challenges brought up by the post COVID-19 economic conditions. In order to do so, we, on behalf of contractors of India, would like to make attached representations to your goodself for the support and to revive the Construction Industry, by allowing and arranging the availability of working capital immediately. This will not have much impact on the exchequer, but it would support the industry.

Honourable Madam, we would also humbly request you to kindly grant us an audience of 5 to 6 members small delegation of BAI with your goodself at your convenience, to discuss more about the growth potential of construction industry which could support the move the vehicle of economic growth and GDP of the country.

Thanking you,

Yours faithfully,

MU.MOAHAN
PRESIDENT
BUILDERS' ASSOCIATION OF INDIA
