All India Builders' Convention

BAI's All India Builders' Convention (AIBC) is a bi-annual three-day convergence of Builders' Association of India (BAI) members from across India. Professionals, Intellectuals from the Civil Engineering and Real Estate Construction Industry, Officials of various Works Authorities, constituents of the various industries with linkages to the construction industry, etc. also participate in AIBC from across the nation and from international too.

Knowledge Sessions, Exhibition, Panel Discussion, Live Demonstration, etc. are packaged during daytime and evenings are time for unwinding and networking. Accompanying Delegates get to participate in competitions and sightseeing and shopping tours.

Representatives of service providers to the Civil Engineering and Real Estate Construction Industry i.e. Construction Equipment Manufacturers, Construction Material Manufacturers, providers of specialised service, etc. also participate in AIBC to network with the direct users of their services.

Discussion and deliberations in AIBC further help in evolving specific recommendations for alleviating the problems faced by the contractors and builders by recommending the 'Resolutions' passed in the AIBC for further action by Government Departments, Management Agencies at State & Central levels, Institutions and organisations engaged in training, formulation of standards, codes, research and development.

AIBC Objectives

- To update knowledge in latest Construction Technology, Management, Taxation and Legal implications.
- To discuss issues related to Construction Sector and solutions thereof.
- To arrange Exhibitions, Workshops to update the builders to latest Construction Equipments, Materials and Methods.
- To foster friendship and bonhomie among the members coming from various parts of the country and abroad.

Who should attend?

All individuals having forward and backward linkages with nation's Largest Sector i.e. with construction sector, like Practicing Engineers, Consultants, Construction Companies, Engineers from Government Agencies & Industries, Organisations & Companies concerned with Infrastructure Development, etc.

Why attend?

All Construction Sector professions should attend AIBC, to update oneself on the latest developments in machinery, materials, methodology, regulations, etc. Apart from being a source for latest knowledge, AIBC offers an opportunity to interact with Peers of Construction Sector across the nation and abroad.

Importance of AIBC

Several distinguished guests such as Presidents, Prime Ministers, Union Ministers and Chief Ministers of respective host Centre States have presided/participated in the past AIBCs.

Presidents	: Shri Giani Zailsingh; Dr. Shankar Dayal Sharma and Dr. K. R. Narayanan
Vice President	: Shri M. Venkaiah Naidu
Prime Ministers	: Shri Morarji Desai; Shri Chandrasekar and Shri Deva Gowda
Union Ministers	: Shri Jagadish Tytler; Shri Rangarajan Kumara Mangalam; Shri Oscar Fernandes; Shri Arunachalam; Shri Vayalar Ravi, Shri Pranab Mukherjee, Shri G.K. Vasan and Shri Dev Singh Chauhan.
Chief Ministers	: Shri M. Karunanidhi; Shri Arjun Singh; Shri M.G. Ramachandran; Shri N.T. Rama Rao; Shri K. Chandrashekar Rao; Shri M.K. Stalin and Shri Anumala Revanth Reddy.

AIBC has a very memorable history and has been held across India . . .

* BAI Mumbai Centre has the singular record of hosting an AIBC in an International destination, when it hosted the 26th AIBC in the prestigious ATLANTIS Hotel, Dubai from 6th to 9th February, 2014.

Viksit Bharat @2047

Viksit Bharat @2047 is the vision to make India a developed nation by 2047, the 100th year of Independence. The vision encompasses various aspects of development, including economic growth, social progress, environmental sustainability, and good governance. Our Members from the construction sector has not only been supporting business growth but also facilitating ambitious infrastructure initiatives of the government, such as PMAY, UDAN, PM Gati Shakti, etc. India's rapid pace of development syncs perfectly with Viskit Bharat goals by 2047.

Ajit Gulabchand with Union Finance Minister Dr. Manmohan Singh

About BAI

The Indian Construction Sector is the second largest employer after agriculture and is represented by Builders' Association of India (BAI). BAI is an all India organization established in 1941, with its headquarters in Mumbai. The first BAI centre was started in Pune, primarily with the encouragement given by Brigadier Jackson of Military Engineering service. Today has more than 233+ centres spread over the length and breadth of India with 23,000 direct members and 1.5 Lakhs indirect members through the various Regional Associations affiliated to it. BAI is represented on various small, medium and large Government organization as an apex body and construction nodal agencies in the country and abroad.

BAI represents construction companies, builders, contractors, architects, designers, material and machinery manufacturers and dealers and consultants and has grown with both National and International influence.

BAI members are involved in construction of Roads, Railways, Tunnels, Ports, Bridges, Airports, Residential & Commercial Real Estate, etc. in India and abroad also.

BAI has very laudable aims and objectives. Its activities include conducting training programs for workers, representing and obtaining relief for the problems faced by the members and to hold exhibitions and organize conferences to showcase the industry and innovative technologies.

BAI is represented in IFAWPCA - International Federation of Asian & Western Pacific Contractors' Association, a 50 year old organisation. Its aims and objectives are reconstruction of Asia and West Pacific RIM countries, cementing bonds of friendship, international cooperation through construction research, construction of better society towards new era and construction for global prosperity. It is also associated with International funding Institutions like World Bank, Asian Development Board and World Trade Organisations.

Apart from India, other member countries of IFAWPCA are Bangladesh, Cambodia Bhutan, Korea, Nepal, Hong Kong, Indonesia, Maldives, Malaysia, Mongolia, Sri Lanka, Japan, Philippine, Singapore, Taiwan and Thailand.

BAI VISION

- To promote and foster feelings of brotherhood, unity, co-operation, mutual trust and to eliminate unhealthy competition amongst the contractors fraternity.
- To build public confidence in the construction industry by advocating ethics in the business through transparency and accountability.
- To establish healthy and cordial relationship between the client, the contractor and the end-users, so that all construction projects are completed without any time or cost over-runs.
- To interact with Government bodies like State Public Works Departments and the Central Public Works Department to modernize methods and specifications of works towards ensuring suitable work ethics in the Industry and standardizing tender procedures. Contracts awarded on the basis of such standardization will ensure uniformity in execution of construction jobs.
- To achieve highest standards of efficiency and quality by adopting methodology which could be derived from both Indian and International Standards with a view to making the construction sector competitive in domestic as well as international markets.
- To ensure that contractors adopt methods which are environment-friendly like use of pre-engineered and pre-manufactured products, seeking inter-alia tax concessions on the same from the Government.
- To not only regulate safety procedures and issue guidelines for minimizing loss of life or property at construction sites but also to enhance welfare of workers.
- To develop linkages with other industry and Trade Associations, Chambers of Commerce, Federations etc. to enhance the value of its services to members. It shall network with international bodies and gain global presence for its members.
- To regard workers and technicians as the key resource for construction industry. It shall support and establish training institutions to train workers and technicians.

In its 85 years of existence, BAI has been looking after the needs of the industry, by making positive headway in tackling issues and taking concrete steps like :

- Convincing the Central Government and various State Governments to introduce Price Variation Clause (Escalation Clause) in their respective contract documents.
- Organising All India Builders' Convention and Exhibition, which is a large gathering of members of civil engineering discipline including construction fraternity. These events are a focal point for exchange of ideas and transaction of business. BAI through All India Convention and Exhibition, brings about a sense of brotherhood amongst them. Till now twenty Seven Conventions have been organised.

About BAI Mumbai Centre – Celebrating Golden Jubilee 1976-2026

Mumbai Centre is a leading Centre of BAI. Founded in 1976 and having a direct membership of 900 and indirect membership of 1200, through affiliated associations. As a front ranking Centre of BAI, Mumbai Centre was and is in the forefront of tackling issues confronting the building and construction Industry, particularly in the State of Maharashtra. As a matter of giving service to its members, Mumbai Centre took innovative steps and has many publications to its credit, which has been widely appreciated.

32nd All India Builders' Convention

The 32nd AIBC has been designed in a way that each every moment of the three days gives each delegate and participating delegate something to take home – knowledge, ideas, tangible things and of course beautiful memories.

- **Women Empowerment in Construction Industry** will have Presentations, Panel Discussion by Women Construction Entrepreneurs and Technocrats, etc.
 - **Startups Competition** among Startups in construction industry coming with unique products / procedure / methods.
 - **B2B meetings** will be arranged in separate break away rooms. There will be types of B2B
 - Between 'BAI Members with BAI Members' – for exploring JV options, sharing of machinery / manpower, offering of services – PMC's, Architects, Consultants, etc.
 - Between 'contractor / builder' with construction equipment manufacturers/service providers.
- A detailed registration system will be put in place much before the event.
- **Knowledge Sessions** would be presentations by top notch speakers on important topics – technical and non-technical followed by Q & A.
 - **Panel Discussion** would be on varied topics of construction sector – Taxation, Legal, Machinery, Methods, Materials, etc. *The outcome of the Knowledge Sessions and Panel Discussion would form part of the 'Resolutions' of the 32nd AIBC.*
 - **New Technology Presentation** with a difference. At the end of the session, delegates will be asked questions on the 'Presentation' made by the AIBC sponsors/partners and winners will be given attractive prizes.
 - **Sarvottam Awards** will be BAI's way of thanking and appreciating the contribution to the Indian construction industry the services by – Construction Equipment Manufacturers, Material Manufacturers, Specialised Service Providers, etc.
 - **Navratna of the Indian Construction Industry Awards** Recognising Individuals from the Construction Sector or Construction companies from across India. Not only civil engineering construction contractors and real estate construction companies will be considered, but individuals and companies from the allied industry i.e. plumbing contractors, electrical contractors, mechanical contractors, will also be considered.
 - **BuildIndia 2026 Construction Sector Exhibition** display of latest Machinery, Materials and Methods will be there for the delegates.
 - **Technical Papers-cum-Construction Industry Referencer** will be a Souvenir with 'categorised advertisements' to be preserved for reference. Highly informative Technical Papers will be published.
 - **Vision BAI 2041** The traditional 'Open House' held during AIBC will deliberate on BAI celebrating its Centenary in 2041. **Vision BAI 2041** will set the tone for the Centenary celebrations.
 - **Students and Faculty of Engineering institutions** will be invited and registered for the Knowledge Sessions and encouraged to participate in the deliberations.

... and many more.

32nd AIBC is expected to draw nearly 2000 participants from all over India and Abroad

Partnership Options

The 32nd AIBC offers various options for PARTNERING in organising of the same. PARTNERS will be offered commensurate benefits, which include – Product Presentation during the Knowledge Sessions, Display of Construction Equipment in the Exhibition, mention in the backdrop, Pre-event and Post-event mention in all communications, Standees, etc.

Various branding options are also available – Delegate Kit Branding, Delegate Gift Branding, Tea/Coffee Session Branding, Lunch Session Branding, Fellowship Dinner Session Branding, etc.

Technical Papers-cum-Construction Industry Referencer (Souvenir) - Participating Options

Most of the presentations made during Knowledge Sessions and many other Technical Papers will be carried in the Souvenir. The advertisements will be classified, so that the Souvenir can be preserved for future reference. The Souvenir will be given to each delegate and also subsequently circulated to all BAI Centres across India. Copies will be sent to key Central and States Governments. It will be a perfect platform to reach the right target groups.
